

# Classroom Conversation Starters

Educator: Share why you got into education.

Students: Share one thing you are passionate about.

What has been your favorite classroom activity this year?

What is your favorite way to show others at school you respect them?

If you could choose one activity/game to play as a class what would it be?

Describe the person sitting to your right with 3 POSITIVE words.

Who is someone you have gotten to know more this year? What have you learned?

What has been a challenge for you this year? Did someone help you with it?

What is one thing you wish others knew about you?

Describe your perfect lunch at school.
