

Holiday Memories BINGO

Transform BINGO into a trip down memory lane with family or friends!

Instructions:

1. Engage others to brainstorm favorite holiday memories, traditions, trips, foods, gifts, etc. Compile the memories into a list
2. Cut the memories into strips of paper and place in a container or cup (to draw from during BINGO play)
3. BINGO board prep: print BINGO boards and have participants fill in their own cards however they choose using the list of memories
4. Play BINGO! Use your favorite candy as board markers

For fun, ask everyone who participates to bring one item to use as a prize. Free prize ideas: hand drawn pictures, a book you want to pass along, coupons (hugs, late bedtime, etc)
